PREFACE

Beginning with this issue of the Schedule of Courses, the Office of Training will publish confirmed dates for the next six months and tentative dates for the following six months. Undoubtedly, there will be changes in the second period, but they will be minor. Confirmed dates for the second six months will be issued before January 1971. We hope that publication of dates a year in advance will be of assistance to Training Officers for planning purposes. Note that this Schedule can be inserted in a loose-leaf notebook, which is the format for the projected OTR Catalog of Courses. This catalog should be distributed to all Training Officers within the next few months. It will contain comprehensive descriptions of all OTR Courses as well as most of the component-conducted courses. A few of these component-conducted courses have been included in this Schedule and are identified by Office Symbols in parentheses following the course title.
